Man arrested for murder of pavement dweller

A 60-year-old man was murdered on East Uthira Street in Srirangam on Tuesday night. According to sources, C. Kandasamy of Uyyakondan Thirumalai avoided visiting his house after the death of his wife a few years ago and slept on the platform on his street. Kandasamy, who was a retired farm worker, reportedly took objection to the attempt by S. Murugesan, 39, of Amman Palayam in Erode to sleep on the platform, where he usually slept. Irked over this, Murugesan hit Kandasamy on the head with a concrete boulder and the latter died on the spot. On information, Srirangam police rushed to the spot and removed the body to Government Hospital for post-mortem. Murugesan was arrested.

Sub-Inspector killed as bike hits autorickshaw

A 54-year-old Sub-Inspector attached to the Armed Reserve Police was killed when the motorcycle he was riding collided with an autorickshaw under Idayakottai police station limits in Oddanchatram near here on Tuesday night. The police gave the name of the deceased as A. Nallasamy of Seelapadi, who was deployed in the escort team for Minister for Food and Civil Supplies R. Sakkarapani. Preliminary investigations revealed that Nallasamy was proceeding from Idayakottai to Dindigul on his motorcycle when the driver of the autorickshaw that was coming in the opposite direction lost control of the vehicle and collided with Nallasamy's bike.

‘Fulfil promise on support price’

The Hindu Bureau

The Coordination Committee of All Farmers Associations of Tamil Nadu has urged the DMK government to fulfil its election promise of increasing the procurement price of paddy and sugarcane. Speaking to reporters after a meeting of office-bearers of the committee here on Wednesday, P. R. Pandian, president of the committee, said the DMK, in its election manifesto, had promised to offer ₹2500 a quintal of paddy and ₹4,000 a tonne for sugarcane. “It is disappointing that the promises have not been fulfilled even two agricultural seasons after the DMK came to power.” Since the fertilizer prices and production costs had increased this year, the committee members observed a fast in Chennai earlier this month seeking increase in the procurement price to ₹3,000 a quintal for paddy and ₹4,500 a tonne for sugarcane. It is condemnable that the Chief Minister had not responded yet to the demand. He also condemned the BJP government at the

Centre for failing to fulfil its promise to provide profitable MSP for agricultural produce. The Prime Minister had made the promise while calling upon farmers to withdraw their mass protest in New Delhi. Mr. Pandian said and announced that a group of representatives of the committee would go on a *yatra* for justice from Kanyakumari to New Delhi on March 1, if the Centre failed to fulfil the commitment in its forthcoming Budget. The 20-day *yatra* would pass through 12 States and the participants would meet non-BJP Chief Ministers en route and enlist their support for the cause. The *yatra* would culminate with a fast in New Delhi. The *yatris* would also make an attempt to meet the President to submit a memorandum to her. Mr. Pandian urged the State government to take over the private sugar mill at Thirumandakudi in Thanjavur district and condemned the Chief Minister's silence over the agitation by sugarcane farmers seeking a solution to the problem caused by bank loans taken in the names of farmers by the previous management of the mill.

Burning of solid waste on roadside goes unchecked

Irregular garbage collection in households is the main reason for dumping of waste in public places, say residents of Tiruverumbur

Garbage dumped along a road near Jai Nagar at Tiruverumbur in Tiruchi.

Indiscriminate dumping and burning of garbage along the Koothappur Village road near Jai Nagar in Tiruchi have raised apprehension of possible health hazards to the residents in the locality. Dumping garbage along the roads is a common sight in Tiruverumbur, and residents have grown accustomed to the stench that emanates from the dump. Most of the roadsides in the area have turned into burning sites, polluting the air in the vicinity. It is alleged that some conservancy workers of the Corporation, instead of transporting the waste being collected from house-

holds to the micro compost yards, dump them along the road on some occasions and set fire to the garbage mounds. “The garbage set on fire frequently causes pollution and is widely affecting people. Earlier they burnt the waste only at night but, recently garbage is being burnt here every morning. This appears to have become a practice among sanitation workers, but officials have taken no action yet,” said Mohankumar, a resident of Jai Nagar. Residents claim that irregular garbage collection in households is the main reason for dumping waste in public places. “Since dustbins were removed in residential areas and solid wastes are not collected regularly, residents dump

the waste along the road,” said R. Francis, a resident. Heaps of garbage mostly, waste from households, eateries and restaurants have been found dumped along the roads. In addition, local vendors also dump leftover vegetable and fruit stock, attracting stray animals and rodents. “It is worrisome that some people use the road to dump the trash. The dumping of waste has largely gone unnoticed by the authorities, and one cannot escape the stench when we travel on the road,” he added. When contacted, Corporation officials said they would inspect the area and levy penalties on the persons dumping and burning garbage.

Special shows of *Thunivu* and *Varisu* land cinema theatre owners in trouble

S. Vijay Kumar
CHENNAI

Amidst the controversy over the early morning screening of Tamil movies *Thunivu* and *Varisu* starring actors Ajith Kumar and Vijay respectively, the State government has initiated the process of taking action against cinema theatre owners who violated the prohibitory orders. In Chennai, showcase notices have been issued to owners of cinema theatres where the screening of the Pongal releases commenced at 1 a.m. on January 11, 2023. In almost all the districts, Superintendents of Police have sent reports to the District Collectors giving details of the cinema theatres where the special shows were screened without permission and sought appropriate action against the concerned persons, police sources told *The Hindu* on Wednesday. In some places, the pol-

In all districts, SPs have sent reports to Collectors on special screening held without permission

ice said by organising the special screening of the movies of popular heroes early in the morning, the cinema theatre owners had caused an extraordinary situation where any conflict between fans would have resulted in a State-wide law and order problem, the sources said. While Police Commissioners in cities were empowered to issue showcase notices, in districts, the Collectors, as licensing authorities, would call for explanation from the theatre owners. Despite a specific order prohibiting early morning shows of the two movies, cinema theatre owners went ahead with the screening which drew a huge congregation of fans of both the popular actors.

There were also allegations that tickets were sold at exorbitant rates. A day before the screening, the Home Secretary issued an order directing the licensing authorities “to take necessary action in order to prohibit the early morning release shows and charging at exorbitant rates of admission during such shows of the release of the new films in accordance with the condition 14-A of Form ‘C’ licence under the Tamil Nadu Cinemas (Regulation) Rules, 1957 and to also take action against any violations.” In one district, the Superintendent of Police in his report to the District Collector said even a small altercation among the people who had gathered at the theatres for the early morning shows would have led to a major issue in the State. The SPs have called for legal action against a large number of cinema theatre owners in the State, the sources said.
